**Today's career pathways,
tomorrow's workforce**

**LEGISLATIVE
PROPOSALS**

EDUCATION

**WORKFORCE
DEVELOPMENT**

Key Innovative Solutions connects industry and education together to effectively and efficiently design and enhance career pathways leading to a skilled workforce. With over 20 years of experience within education and industry, Key is adept in removing potential obstacles that prohibit a robust work-based learning environment. As technology changes the mode of operations quickly within each and every industry, it is critical to have a pipeline nimble enough to meet those changes for a workforce skilled to meet the current needs within industry. Through industry sector partnerships, industry and education, together, design effective career pathways for today's students, tomorrow's workforce.
